

Magento™ v1.0 Feature List

Magento is a feature-rich, professional open-source eCommerce solution that offers merchants complete flexibility and control over the look, content, and functionality of their online store. Magento's intuitive administration interface contains powerful marketing, search engine optimization and catalog-management tools to give merchants the power to create sites that are tailored to their specific business needs. Designed to be completely scalable and backed by an extensive network of professional and community support, Magento offers companies everything they need from their eCommerce solution.
